

Our online Bill Pay experience just got better.

Bill Pay's new streamlined, mobile-friendly layout will make it easier to bank online and on the go.

We're excited to introduce our enhanced Bill Pay tool, tailored exclusively for personal account holders to simplify and elevate their online payment experience. Enjoy an easily readable mobile banking interface, a streamlined dashboard, and new features to help make it easier and more efficient to manage bills. Bill Pay will be available for business account holders in 2025.

GET STARTED WITH BILL PAY

To use our Bill Pay tool, you must be enrolled in digital banking. To enroll in digital banking, click the orange "Login" button in the upper corner of our homepage and select "Digital Banking" from the dropdown menu.

To download our mobile banking app, go to the App Store or Google Play Store, and search for "Bank of Marin." Once you're logged into digital banking, click "Bill Pay" in the upper corner of the digital banking homepage and follow the steps to get started.

NEW AND IMPROVED FEATURES

Track Scheduled Payments

Easily make single or multiple payments in the "Pay" tab. Track account activity by clicking the "Schedule" and "History" tabs under "Activity".

Manage Alerts

Monitor account activity with ease by setting alert preferences that best suit your needs. You can be notified via email when payees have been added or edited, and when payments have been made or returned.

A Better View of Your Payees

See all payees with greater visibility and more control over your payments, helping you manage both more efficiently and avoid duplicate payments.
